Painted U-Bahn
An Instagram clone focused on graffiti, tags, art on Berlin's metro trains.
Users can post pictures on the image board as well as comment and like.
Made with Vue.js, Axios, Node.js, Express, PSQL, AWS(s3).
Open Project   View on GitHub

Petition
A funny petition to remove the annoying TV/Radio tax in Berlin. Users can create an account, login/logout and virtually sign with their mouses. It is also possible to check all the people who signed.
Made with Express Handlebars, Node.js.

WORK EXPERIENCE

Social Media Content Moderator
Arvato Digital Services, Berlin (DE) | 2017 - 2019
- Learned the importance of team work and to keep a tight schedule.
- Monitored social media content, making sure that it was placed in the right category, free from scams and didn't include any illegal items.

Sound Engineer
Spazio 9000, Rimini (IT) | 2014 - 2017
- Supervised the day to day operations of the studio including contacting clients and setting up/running recording sessions.
- Worked with producers and clients to determine goals for recordings and provided needed sound quality.

Sound Engineer
Freelance, Ravenna (IT) | 2010 - 2014
- Transformed audio recordings into digital formats for editing and archiving.
- My tasks included high quality audio track production specifically input/output control/management.

EDUCATION

Full Stack Web Development
SPICED Education GmbH, Berlin (DE) | 2020
- Bootcamp Certificate

Electronics and Telecommunications
ITIS Blaise Pascal, Cesena (IT) | 2006
- High School Degree
